

Sustainability, Energy, and Environment Fellows Program (SEE FP) Application for Admission

Students from any major and year are eligible to apply for enrollment in the SEE Fellows Program, an undergraduate minor through the Institute for Sustainability, Energy, and Environment (iSEE). We strongly encourage students to apply for this undergraduate minor during the spring semester of their freshman year, but we will also consider applications from sophomores in the fall semester. More advanced students are also eligible to apply and should provide the additional information specified below with their application form.

Application Deadline for Fall Semester: 5 p.m. March 1; decision announcement April 1

Application Deadline for Spring Semester: 5 p.m. Sept. 30; decision announcement Oct. 15

Student Information

Application Date: _____

Name: _____

Phone: _____ **UIN:** _____

Email: _____ **Year in School:**

Major: _____ ___ Fresh. ___ Soph. ___ Jr. ___ Sr.

How did you learn about SEE FP? _____

Personal Essay

Briefly describe how your participation in the SEE FP will help you fulfill educational, personal, and/or professional goals. Your essay should not exceed two typed pages and must be submitted with this application.

Submission

A complete application should include the following items:

- This application form
- Your personal essay
- A copy of your college transcript(s) (may be unofficial)

For students in their third semester or beyond, list the courses you have taken that meet the requirements of the Minor, the year/semester you took the course in and the grade obtained. A complete list of the course requirements is available at go.illinois.edu/SEE_fp.

Course Name	Year/Semester	Grade

All application materials should be submitted by email to see-fellows@illinois.edu.
