### WHAT ARE THE BENEFITS? How can certification support the goals of your chapter?

<table>
<thead>
<tr>
<th><strong>Promote</strong></th>
<th><strong>Save Money</strong></th>
<th><strong>Encourage Participation</strong></th>
<th><strong>Make an impact</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Certification shows others - prospective members and peers - that your chapter is actively working to better itself and run sustainably.</td>
<td>Many of the small efforts to meet actions - such as turning off lights and reducing water use - saves you money! Win Win!</td>
<td>Joining this program provides members with new opportunities to participate in the chapter by creating new positions and committees to manage the chosen goals.</td>
<td>The overall goal of the program is to encourage sustainability - you can have a part in improving campus life!</td>
</tr>
</tbody>
</table>
Overview of Certification Process

What's next?

1. Complete the Interest Form
   Use the hyperlink above or see all links on quick links slide.

2. Meet Prerequisites
   Jump to the next slide for all five prerequisites.

3. Identify Best Fit Actions
   Identify what actions are best matched to the unique skills, interests, and lifestyles of your chapter members.

4. Commit!
   Commit to those checklist actions, and make them a reality in the day to day lives of your members.

5. Spread the Word
   Promote your chapter as a Certified Green Chapter, and spread the word about what that means to prospective members and other chapters.
Prerequisites:

What to establish before beginning the certification process

**Leadership**
Elect a member to be the official Sustainability Ambassador to be the point of contact.

**Paper**
Use a minimum of 30% recycled copy paper for all chapter prints, flyers, etc.

**Lights**
Turn off lights, monitors, and other devices when unused/ at night.

**Food**
Offer at least one vegetarian or vegan option for events.

**Recycling**
Make sure to have and use clearly labeled recycling bins.
REQUIRED ACTIONS

All four actions must be met regardless of certification level- no exceptions!

GO PAPERLESS

Go paperless wherever possible. For example, email flyers rather than printing them.

PRINTING

Use a minimum of 30% recycled content paper when you print.

LIGHTS

When not in use, turn off the juice! Designate a role for checking all unused lights at night.

RECYCLE

Sign up for Recycling Service Pickup. Provide clearly labeled recycling bins.
Elective Action Groups

Select at least 5 activities from within these groups.

- **Food & Dining**
  - How to green your kitchen and diet.

- **Utility Conservation**
  - Conserve energy, water, and heat.

- **Waste Minimization & Recycling**
  - Reduce, reuse, recycle!

- **Transportation**
  - Strive to walk, bike, and carpool more.

- **Innovation & Engagement**
  - Your ideas matter - let us know!

**How to green your kitchen and diet**:
FOOD & DINING

**Meatless Monday**
Every Monday, go vegetarian/vegan for all chapter meal options. OR gain 1 point/5 members who stop eating red meat all together!

**Shop Local**
Pledge to serve at least one meal a week using local fruits and vegetables. Stop by the Student Sustainable Farm!

**Gardening**
Plant a garden, or start a compost pile. Anything grown at home helps minimize the environmental impact of food transport.

**Shop Fair Trade**
Purchase fair trade/sustainably sourced coffee, tea, and chocolate for common use.

**Elective actions**

- Gardening
- Shop Local
- Meatless Monday
- Shop Fair Trade
UTILITY CONSERVATION

**Temp Control**
Pull down window shades in common areas during the daytime during cooling season, and pull them up during heating season.

**Hit the Switch**
Put signage near light switches reminding people to turn them off when the room is empty.

**LED**
Use LED bulbs wherever possible in your house.

**Showers**
Replace your existing shower heads with low-flow options.
**Eco Bags**
Make a shared set of reusable bags available for use when shopping. Reusable mesh produce bags are great options for fruits and veggies.

**Bye K-Cups!**
Eliminate the use of single-use coffee pods. Conversely, buy a reusable pod and refill with your favorite ground coffee to continue using the device.

**Coffee**
Zero out your coffee waste. Use a reusable filter and don’t purchase individual sugar packets, creamer tubs, or stirrers.

**Dish it Out**
Share a set of reusable dishes for meals, and limit disposable plate, cup, and flatware usage.
WASTE & RECYCLING 2

Reusable Water Bottles

Commit as a chapter to use reusable water bottles instead of drinking bottled water (one point for every five members who make the pledge).

Spirit Wear

Order your spirit wear from vendors that uses recycled plastic fiber, organic cotton, or sustainable practices rather than mass unsustainable production.
**TRANSPORTATION**

**Bus Use**
Make sure all members are aware of the closest bus routes to your house and how to use their iCard as an MTD bus pass.

**Carpool**
Set up a carpooling program to reduce the number of single occupant drives.

**Bike Rack**
Provide a bike rack/bike storage for your house. Travel with bike locks to make sure your ride is secure!

**Active Transport**
Use active transportation (bus, walking, bicycling) for all local travel when weather permits (one point/ five members who make the pledge).
**INNOVATION & ENGAGEMENT**

Refer your friends
Refer another chapter to join the program (2 points).

**Campus Activities**
As a chapter, participate in an on-campus sustainability program such as Illini Lights Out, the Campus Bike Census, or a lecture during the iSEE Congress. ***

**Green Team**
Form a Green Team to share the responsibilities of the Sustainability Ambassador and encourage creativity.

***Covid update:***
We ask that you practice caution and social distancing at this time, especially for campus activities. Your health and safety is the main priority, and we advise chapters to enjoy virtual experiences.
INNOVATION & ENGAGEMENT 2

**Academics**

Incorporate sustainability into your academic plans. You could become an SEE fellow, minor in sustainability, and so much more. (1 point/5 members)

**New Ideas**

Come up with your own initiative to make your chapter greener — and tell us about it!
CERTIFICATION RANKINGS

Tally up all elective actions from each category - add more commitments for a higher ranking! These do not include the prerequisite actions.

**BRONZE**
5 Elective Actions

**SILVER**
10 Elective Actions

**GOLD**
15+ Elective Actions

Please note: some actions require making changes to your home, check with your property owner/national office before choosing more permanent/structural elective actions! (Ex: adding a garden)

**Tally up your elective actions here**
